

Center for Bio-Ethical Reform

February 2010

Dear Pro-Life Friend,

THE WORLD WILL SOON BECOME A VERY DIFFERENT PLACE BECAUSE OF THE CENTER FOR BIO-ETHICAL REFORM (CBR).

In a few days CBR will launch its most important initiative in years: training 25 international activists and leaders in pro-life apologetics. They will be flown to Florida for two weeks of Pro-Life Institute (PLI) classroom training coupled with face-to-face participation in the Genocide Awareness Project (GAP). Stephanie Gray from the Canadian Centre for Bio-Ethical Reform (CCBR) will lead our international team.

CBR has established affiliates in Sweden, Canada, Hungary, Slovakia, Poland, Finland, Great Britain, South Africa, and Russia. Two dozen international activists and leaders from these affiliates will travel to the U.S. to be trained as part of GAP and PLI.

PLI trains future pro-life leaders around the globe to persuasively engage the culture. PLI and GAP complement each other to deliver a powerful one-two punch. Here are the particulars on the Pro-Life Institute in Florida:

- Feb. 12, 2010 at the University of Central Florida.
- Feb. 14, 2010 at the University of Florida.
- Feb. 20, 2010 at Ave Maria University.
- Feb. 21, 2010 at the University of South Florida.

AIRFARE ALONE IS COSTING CBR \$5,100 FOR OUR INTERNATIONAL LEADERS TO TRAVEL TO FLORIDA. PLEASE SEND A FINANCIAL GIFT TO HELP CBR REACH THE WORLD.

CBR just returned from the annual March for Life (MFL) in Washington, DC. For years and years pro-lifers from all over the nation have made the pilgrimage to the nation's capital. This is one of the most important venues for our GAP display. Why? Because the crowd is made up of mostly youth, many of whom are nominally pro-life. Hundreds of thousands of students march on the capital and ALL of them see our display. They see abortion and it moves them deeply. Jaws drop, eyes bulge, and hands cover gasps of awe. Then, these students return home to their various cities and towns to spread the message. GAP restores meaning to the word abortion like nothing else.

Our experience at the March for Life is very much like what will happen in Florida. International students and activists will be equipped in the U.S. to make a difference in their respective countries. CBR is providing the tools to hundreds, to reach thousands worldwide, one student at a time.

PRINTING COSTS FOR BROCHURES AND PLI TRAINING MANUALS WILL EXCEED \$3,000. YOUR GIFT OF \$1,100 PROVIDES 5,000 GAP BROCHURES.

We are making huge upgrades to our campus exhibit, equipment, and training program. On faith, we recently purchased 22 new GAP signs that cost us around \$10,000. Our GAP display was over 10 years old and badly needed replacing. Outdated signs with low-resolution images were replaced with new sharper high-resolution photo panels. The clarity of the abortion images is off the charts. This purchase was a huge step forward. The better our signs are, the more powerful our message is. Can you invest in these NEW signs?

In February, CBR will display the Genocide Awareness Project at four Florida Universities. They include:

- Feb. 15-16 – University of Florida
- Feb. 17-18 – University of Central Florida
- Feb. 22-23 – University of South Florida
- Feb. 24-25 – Florida Gulf Coast University

Over 100,000 students, many for the first time, will witness what abortion is and does. Our international trainees will be ready and willing to meet these young people where they are. For those who are hurting, forgiveness is the message. The truth will make them free.

DOLLAR FOR DOLLAR, GAP AND PLI ARE TWO OF THE MOST EFFECTIVE WAYS TO CHANGE THE CULTURE. YOUR GIFT OF \$500, \$250, OR \$100 HELPS US PAY FOR OUR NEWLY REDESIGNED GAP SIGNS FOR DISPLAY ON THESE FOUR CAMPUSES.

We just purchased newly designed signs for GAP.

Finally, we have excellent news to announce! Darius Hardwick and his family have completed their move to Ohio to work full time for CBR. Darius will become our operations director to plan and execute projects. Darius and his family moved from Oregon to Ohio because he wanted to fully devote himself to the defense of the pre-born. By God’s grace, Darius has been able raise approximately HALF of the necessary monthly funds to reach his budget goal. However, Darius is responsible for raising his entire salary on his own. Since Darius is not yet fully funded, CBR must make up the difference. We need to raise an additional \$25,000 right away in order to keep Darius saving babies full time. If we intend on ending the scourge of baby-killing, we need more people saving babies than there are killing them. Darius and his beautiful family need your help.

DARIUS HARDWICK AND HIS FAMILY ARE SACRIFICING GREATLY TO SAVE BABIES. IF YOU ALREADY GIVE TO CBR, PLEASE CONSIDER INCREASING YOUR MONTHLY SUPPORT BY \$10, \$5, OR \$1 PER MONTH TO HELP COVER HIS IMMEDIATE RELOCATION NEEDS.

The Hardwick’s are settling into life in Ohio. One of the first things they realized after arriving here was that they needed warmer clothing! They made a trip to a kid’s consignment shop where they found snow boots for all five children (no small miracle) along with hats, gloves and scarves.

The family spent the first several weeks looking at homes. The search was difficult because they were looking for the perfect house at a cheap price. Since we serve an absolutely amazing God, they found THE perfect house! The home is a foreclosure, and they got it for a super low price. It is a four-bedroom, two-bath ranch-style house built in the 50s with a huge finished basement, all on one acre of land. So if any of you find yourself vacationing in beautiful Ohio, they can give you the perfect guest quarters!

The Hardwick’s love Jesus and the babies.

CBR is very blessed to have Darius already working for us.

WE DON’T HAVE THE MONEY IN OUR OPERATIONS BUDGET TO PAY DARIUS RIGHT NOW. PLEASE SEND THE MOST GENEROUS GIFT YOU CAN TO HELP US FILL IN HIS SALARY GAP. DARIUS NEEDS YOUR HELP TO GET STARTED IN THE RIGHT DIRECTION.

Please pray for the Hardwick family during this transition. Everyone is adjusting well. They miss family and friends, but God has been awesome to provide new friends here.

God bless you and your families,

PS: In April we will take GAP and PLI to the Ohio State University, University of Cincinnati, Temple University, and University of Delaware. This is our boldest spring campaign in years.
